Directions

Metabolic Balance is on D Street in central San Rafael, halfway down the left side of the first block below 2nd Street.

- From **Highway 101**, take the **Central San Rafael** exit
- Turn onto **3rd Street** (turn *left* if coming from the south, or *right* if coming from the north) and drive approximately 7-8 blocks
- Turn left on **D Street**
- **Stay in the left lane**, cross over 2nd Street, then **turn left under the green awning** just past Kragen Auto Parts (the awning, which is marked 712 D St Medical, is partly hidden behind some trees, but is *immediately* after a sign saying "Two Way Traffic Ahead")
- Drive in under the archway, and park in any available space

- Note: if you miss the green awning, drive to the end of the block; at the stop sign you will be forced to turn left onto 1st Street (note: unlike 2nd and 3rd Streets, 1st Street is *not* a one-way street, so turn into the far lane); just around the corner, turn left into the large parking lot; you are now facing my building, two-story and vanilla colored with blue-grey trim, with bougainvillea climbing up the front.

Suite J is *upstairs on the second floor*, looking down on the small patio. Walk up one of the two outside stairways, or take the elevator immediately next to the archway under which you drove in. **Remember that Metabolic Balance is located inside the offices of Precision Chiropractic.**
